

NAFSA Workshops

and

Sessions

- WHAT DIFFERENTIATES A NAFSA WORKSHOP FROM A SESSION? -

NAFSA Workshops

PARTICIPANTS

Play an **active role** in the overall value and experience

Interact and **learn** from and with other participants and trainers

Expect **tangible takeaways, handouts, and materials**

Explore new ideas and actively **build/develop new skills** collaboratively

Evaluate the overall value of the **experience**

TRAINERS

Prepare as many **intentional questions** as responses/answers

Harness and utilize the energy and strengths in **the room**

Remain agile, listen, and react

Utilize a **variety of training approaches**

Capitalize on the **teachable moments** and **guide learners** to their goals

Sessions

PARTICIPANTS

Choose to be either an **active or passive part** of the overall experience

Expect to **learn from presenters**

May receive **complimentary materials** highlighting the main points of presentation

Explore new ideas and **learn about new skills**

Evaluate the value of the **content/materials**

PRESENTERS

Prepare a **well-polished presentation** and answers

Share expertise and experiences

Encourage participation as appropriate

Effectively utilize the time to **meet stated objectives**
